CHECKOUT

**VISIT TO THE TEMPLE OF THE TOOTH**  
KANDY, SRI LANKA

FROM 9:00 AM

Visit to temple prior to taking the train to Ella

Sri Dalada Maligawa or the Temple of the Sacred Tooth Relic is a Buddhist temple in the city of Kandy, Sri Lanka. It is located in the royal palace complex which houses the relic of the tooth of Buddha. Since ancient times, the relic has played an important role in local politics because it is believed that whoever holds the relic holds the governance of the country. Kandy was the last capital of the Sri Lankan kings and is a UNESCO world heritage site partly due to the temple. Monks of the two chapters of Malwatte and Asgiriya conduct daily worship in the inner chamber of the temple. Rituals are performed three times daily: at dawn, at noon and in the evenings. On Wednesdays there is a symbolic bathing of the Sacred Relic with an herbal preparation made from scented water and fragrant flowers, called Nanumura Mangallaya. This holy water is believed to contain healing powers and is distributed among those present.
