Changing the vehicle or the chauffer-guide or the duration of their services:

In the event of any problems with the vehicle itself, we will of course attend to these as soon as possible. In the event that you are not satisfied with the chauffer-guide or guide, we may or may not be in a position to make this change – once again, it is dependent on availability. Train tickets are sold subject to availability and can only be confirmed 10 days before travel. If we are unable to procure your tickets, we will inform you and agree on alternative arrangements – for example, we may be able to confirm a different class of ticket. If you have booked the services of a guide or a chauffeur-guide with us, he will procure your tickets. If you have not booked the services of a chauffeur-guide and are travelling independently, tickets should be collected from the station on day of travel. Proof of identity must be provided. Please contact our operations team at least 1 hour before departure and we will let you know where to collect the tickets.
